Who is it for ?

The administrative permanence is intended for foreign people and the people who support them :

- **any foreign person**, with or without papers, who wishes to discuss, to be informed, or who is looking for solutions to his/her situation
- anyone **in connection with foreign people** : support, friend, host, etc.
- volunteers or employees of various **institutions, associations, groups** helping migrants.

What do we offer ?

We offer **free administrative and legal assistance**, to the best of our abilities, with a human and friendly approach.

We can also be an **help for supporting people** : sharing information, discussing, or discharging them of certain of their responsibilities.

We do not offer food or material assistance, work or housing, but we can facilitate the **access to other resources**.

Examples of administrative help :

- obtaining and filling out forms (ex: application for CMU, transport, etc.)
- sharing contacts or information as needed
- helping with paperwork

Examples of juridical help :

- offering resources, documentation, contacts (about right of asylum, residence permits, appeal...)
- connecting with lawyers specialized in foreigners' rights and immigration laws

How does it work ?

The permanence is a space designed to **take the time, together, to access information**, or to seek it. We are particularly keen to allow people to make choices for themselves.

We welcome users in two steps :

- a **friendly reception area** is offered to create a first contact,
- then, a space dedicated to individual interviews during which we guarantee the confidentiality of exchanges and information transmitted by users.

In those two **spaces, children are welcome**. If needed, people from the collective can take care of them in the first reception area while the parent is getting his/her individual interview.

For now, we do not get any specific translation or interpreting resources.

Where and when is it ?

The 2nd and 4th Mondays of each month, from 4 pm to 7 pm, at the associative library « La Mauvaise Foix », 3 rue Mercadal, in Foix.

There are 3 ways to contact us, for now we mainly answer during the opening hours :

- by mail : perm-foix@riseup.net
- by phone (call, SMS, whatsapp) : **+33 (0)7 53 10 32 76**
- coming to meet us : at the associative library **La Mauvaise Foix, 3 rue du Mercadal, in FOIX.**

Who are we ?

We are a **collective of volunteers**, supportive of foreign people, who have field experience.

We are neither lawyers nor social workers.

We are in a permanent process of self-training on administrative and legal issues.

We do not work for the State and we do not agree with its welcoming foreigners policy.
